

OneLife Adventure

MAKIN' TRACKS

In this Newsletter

- OneLife's got a new car
- 2016 program released
- A new date for 2015 Wales Explorer 22/23 August 2015

And the new car is Toyota Land Cruiser 100 Series

Our trusty 80 Series Land Cruiser has 380,000 km clocked up mainly off road and we have decided to retire her. She's still in good fettle and been well maintained (and incidentally for sale 😊) but we have decided to move a newer Cruiser variant and undoubtedly will face a few challenges as I start work converting it from city cruiser to an overland vehicle. While the rest of the world has been using these 100's for some time in expedition mode, it's relatively new in the UK and I'm not totally sure it can live up to our 80's shoes so it's going to be an interesting project.

I'm going to blog about the process as it goes along so keep an eye on our Facebook and Twitter pages.

The car is a 2004 model, one owner from new, 124,000 miles and full Toyota service history, so why a Toyota 100 and why this particular model -

+

Good on road handling

Better fuel use

5 speed auto box, with overdrive and lockdown ability

Facelifted model free of autobox problems pre2003 models prone to

Centre and rear diff locks

-

Lots of electronics throughout car

Electrically managed engine and gearbox

Limited after market accessories

Work has just started on it as the rear is fitted out with its load platform.

Was it the right decision?, time will tell – follow us to find out how it goes

Exclusive access to OneLife Adventures 2016 program

Hot off the press is our new 2016 expedition program – it's not publically available yet, so you have your chance to ensure you get on the trip you want for next year - click our logo to see our plans,

Contact us for the detailed itineraries on each trip. It will all go public on the web site in mid July. Never a company to stand still, new for this year is our Namibia and Botswana Explorer

New date for 2015

Wales Explorer 22/23 August 2015

We have had huge demand for our UK Explorer weekends this year so have added another date for Wales in August, perfect for kids looking for some excitement in the long summer holidays – and a break for mum and dad. Come and enjoy a weekend in Wales – look at the footage from our June weekend filmed from an ariel drone camera by UAS FlightOps
