Why choose OneLife Adventure ?

- **Family orientated 4x4 adventures** - with time to stop and explore the cultures and landscapes you experience. Downloadable, detailed itineraries as well as our unique expedition grading system mean you know what to expect from your trip.
- We don't make inflated claims, we just focus on running **the best 4x4 expeditions available** - our guest's agree, 86 % of them have travelled with us before.
- **Prices include all your ferry crossings and all your accommodation**, plus our guiding, support, knowledge and attention at all times.
- Travel in **small, friendly groups**, a maximum of 12 adults or 6 vehicles and we personally run all the OneLife expeditions.
- UK Explorer weekends – suitable for **standard vehicles, great fun and a perfect introduction** to vehicle based adventure travel. We are on hand at all times to advise and spot you through any tricky sections.
- **Exciting foreign destinations** – Pyrenees, Western Sahara, Portugal, Spain, Iceland or Morocco / Western Sahara. New destinations and new tracks on every trip, you'll not drive the same track twice.
- Stay in a mixture of quality hotels and riads, well-equipped, modern campsites or beautiful, remote wild camps. **Relax around our campfire and BBQ** together, while watching shooting stars at the end of a day full of new experiences.
- **Experienced support team and fully equipped support vehicle** with GPS mapping, satellite phone, satellite beacon with real time tracking, risk intelligence and medi-evac back up. Your safety and enjoyment is our prime concern.
- We can also provide **1:1 expedition driver training**, recovery, medical or GPS navigation courses or even a full consultancy package to help you undertake your own independent overland expedition.

Don't take our word for it, visit our web site for guest reviews, itineraries, a photo gallery of every trip we have run, advice and much more
